Forward-Looking Statements

These slides contain forward-looking statements, including forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking statements include, but are not limited to, statements concerning Colfax's plans, objectives, expectations and intentions and other statements that are not historical or current fact. Forward-looking statements are based on Colfax's current expectations and involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such forward-looking statements. Factors that could cause Colfax's results to differ materially from current expectations include, but are not limited to factors detailed in Colfax's reports filed with the U.S. Securities and Exchange Commission including its 2015 Annual Report on Form 10-K under the caption "Risk Factors." In addition, these statements are based on a number of assumptions that are subject to change. These slides speak only as of this date. Colfax disclaims any duty to update the information herein.

The term "Colfax" in reference to the activities described in these slides may mean one or more of Colfax's global operating subsidiaries and/or their internal business divisions and does not necessarily indicate activities engaged in by Colfax Corporation.
